### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: it is deemed novel and unobvious over the prior art of record to so perform a method of filling holes in a substrate as claimed, including providing an etched hole-fill stand-off by imaging a copper clad laminate, and forming a pattern on the laminate using a develop-etch-strip processing, and aligning the stand-off to fill a plurality of holes in a substrate as claimed in claim 2, now renumbered as claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
